Books or Films?

Yesterday my class discussed a question: books or films? 'I think books are better,' said Gulnora. 'When you read, you imagine everything yourself. Films show you one person's picture.' 'In my opinion, films win,' said Jasur. 'They are quicker — two hours, and the story is over. Also, the music makes it exciting.' 'That's a good point,' said Gulnora, 'but a book stays with you for weeks.' The teacher smiled: 'The best opinion is to enjoy both.'
