A Visit to the Doctor

Jasur felt sick, so his mother made an appointment. At the clinic, the receptionist took his card and told him to wait. Soon the doctor called him in. 'What's the problem?' the doctor asked. 'I have a sore throat and a headache,' said Jasur. The doctor examined him and checked his temperature. 'It's just a cold. Take this prescription to the pharmacy. Rest for two days and drink warm tea. You'll recover quickly.' Jasur felt better already.
