My Phone and Me

My phone is my best friend — but sometimes it's a problem. I have used it for three years, and I have downloaded hundreds of apps. I have never lost it, thank goodness! I use it to search for information, chat with friends and take photos. But last week I looked at the screen for five hours! Now I have a new rule: no phone after nine o'clock. Technology is amazing, but I am the boss, not my phone.

Comprehension Questions *(Matn savollari)*

1. How long has the writer used his phone?
2. What does he use it for?
3. What new rule did he make?
4. What does 'I am the boss' mean?
