A Nurse's Day

Malika is a nurse at a city hospital. She has to wake up at five o'clock and be at work by seven. She has to wear a clean uniform and check the patients in her ward. Some days she works overtime when there are many patients. She doesn't have to work on Saturdays — that is her rest day. Malika loves her job. 'I have to be kind and careful every day,' she says. 'My colleagues help me, and my boss is fair.'

? Comprehension Questions *(Matn savollari)*

1. What time does Malika have to wake up?
2. What does she have to wear?
3. When doesn't she have to work?
4. What does Malika love about her job?
