READ

The Market

Today is market day! I have two thousand som. First, I buy bread — it is three hundred som. Then I buy apples — they are five hundred som. I see a nice blue bag, but it is very expensive — four thousand som! I ask: 'Is the bag cheaper?' The seller says: 'Two thousand five hundred.' I pay and get my change. Now I have no money, but I am happy!

? Comprehension Questions *(Matn savollari)*

1. How much is the bread?
2. How much are the apples?
3. Why doesn't the boy buy the blue bag at first?

- ★ 💰 Say numbers up to 1000 (hundred, thousand)
- ★ 🛒 Ask and answer 'How much is it?'
- ★ 🏷️ Say prices in sums

Teacher Notes

O'qituvchi uchun

Big Numbers and Prices — Lesson 39

- Review numbers 1-100 first, then build to hundred/thousand.
- Use play money for the mini shop — great speaking practice.
- Watch for 'How much is they?' — drill singular/plural.
- Prices in som make the lesson real for students.
