The Crowded Bus Problem

Our bus is always crowded in the morning, and students are late. What is the solution? We discussed it in class. 'The problem is that there are too many students and too few buses,' said Akmal. 'The best solution is to add two more buses,' said Malika. 'Or we could start school ten minutes later,' suggested Timur. 'But that changes everything!' someone said. Our teacher smiled: 'Problems have many solutions. We need to choose the most practical one.' We wrote a letter to the bus company — and they answered!

Comprehension Questions *(Matn savollari)*

1. What is the problem?
2. What solution did Malika suggest?
3. What did Timur suggest?
4. What did the class do in the end?
